# About Us

Over the past 30 years, CubicFun has been driven by the core principles of spreading joy, igniting curiosity, and fostering artistic creativity. We are committed to creating a better quality of life and exploring the infinite possibilities of life. We use 3D puzzles as a medium, upholding an original spirit, and venturing into various domains to offer immersive and multidimensional experiences to players of all ages.

## ABOUT US

Become a beloved toy brand for millions of families. We are dedicated to ensuring that every user can find their own joy in the world of CubicFun. Therefore, through a dual-brand operation model, we continue to develop and innovate, allowing more people to experience the charm of art and science. We hope to become a toy innovation brand trusted and loved by millions of families through our high-quality products, services, and philosophy.

## VISION

"Creation, Inspiration, and Joy" are the engines that unlock a happy life. We are committed to integrating "Creation, Inspiration, and Joy" into everyone's life. Users are our source of inspiration, products are our core, and we aspire to provide endless life enjoyment and mental inspiration for people of all ages with boundless creativity and passion.

## MISSION

## Dedicated to building creating brilliance together

We keep pace with market changes, using advanced production technology and innovative concepts to deliver high-quality joyful products and services to the global market.

## 2023

Dual-brand operational strategy, continuous innovation, creating more surprises for customers.

**CubicFun®**

Focusing on the field of PUZZLE X ART blending diverse world cultures of art, inspiring imagination and a love for art, leading the aesthetics of life.

**hahaland®**

Love and Exploration

**Disney** | **NATIONAL GEOGRAPHIC**

Focusing on the field of scientific toys, dedicated to nurturing children's interest in science, and helping children understand science.

## 2019

Hahaland - Maternal and Child Brand was founded.

## SINCE 2016

Collaborated with top-tier licensed brands to enhance the product portfolio.

## 2009

Secured Disney licensing & pioneered the first ship model 3D puzzle, now a global phenomenon.

## 2007

Cubicfun was founded.

**CubicFun®**

Let's create more future together...

## WHY CHOOSE US ?

**FOR KIDS**

- IMPROVE MOTOR SKILLS**  
Playing with our products involves a lot of hand and eye coordination
- INSPIRE THINKING**  
Children must think and develop strategies on how to approach and achieve this goal
- ENHANCE FOCUS AND CONCENTRATION**  
When you start playing, it will keep you engaged for multiple hours
- STIMULATE CREATIVITY**  
Have fun assembling from pieces into a three-dimensional model and build a better sense of structure

**FOR ADULTS**

- RELAXING THE MIND**  
3D puzzles are a great activity for relaxation and stress reduction after a busy day
- ENCOURAGE SELF-ESTEEM**  
It will give you a great sense of accomplishment once completed
- KEEP YOUR MIND ACTIVE**  
3D puzzles enhance mental agility throughout the process
- ENJOY FAMILY FUN**  
Enjoy the comfort of your home and bond with family and friends

## WHAT CUBICFUN MEANS TO YOU?

Possibly the most versatile and ideal type of product which meets customers' needs from multiple spectrums.

  
CubicFun can be a new form of construction toys for children, adolescences and family members.

  
CubicFun can be a unique and creative addition to physical retail stores.

  
CubicFun can be instructive items in book stores, comes with educational value.

  
CubicFun can be an attractive type of souvenirs with lightweight for travelers.

  
CubicFun can be creative and eye-catching novelty items to be found in gift stores and boutique shops.

**OEM**  
CubicFun can also be evolved into popular licensed products, or customize the designs upon your request.

# National Geographic

National Geographic, a distinguished brand with a history spanning 136 years, is renowned worldwide for its profound influence and outstanding contributions. Since its inception in 1888, National Geographic has been dedicated to exploring and disseminating the geographical, historical, natural, and cultural wonders of the world. Furthermore, National Geographic actively engages in the field of education and has launched the National Geographic Kids (NG KIDS) brand, providing young generations with entertaining and educational content that sparks their interest in exploration, science, and culture.

Based on the National Geographic brand philosophy, we have developed a range of product series inspired by National Geographic content. Our goal is to spark curiosity in children about the natural and cultural world, and to ignite their interest in science, exploration, and environmental conservation. Through hands-on engagement and interaction, children can learn while they play, fostering their understanding and care for the natural sciences.

CubicFun is a company that not only focuses on designing outstanding 3D puzzles but also offers a wide range of product displays and promotional solutions. We strive to stay close to the market and listen to our customers' needs. Your success in promoting our products is undoubtedly our mutual goal.

## How CubicFun will work with your business?

### Shaping Funs

Since our founding, we have excelled in fostering creativity, bringing forth something from nothing.

### Production

Safety and security are our lifelines. We always proceed with product safety as our top priority in production.

### Sales Supports

We offer support to our retail partners in developing attractive displays, making it easier to sell and promote our toys.

### Convey the charm of toys

Information about our toys is presented through various channels, including social media, store events, and promotions.

## Promotional Items

### Store Fixtures

Product display stands of different sizes, designs & materials.

### Standard PVC Wall Display

Highly versatile, designed to display built-up items and packages.

Example

### PDQ Display

Size: L 42 x D 32 x H 75 cm

Item No.: ZJ - P50t

### Wooden Display with Plexiglass Enclosure

Designed to display built-up models with inventory, high quality store fixture. Material: Wood, Acrylic

Item No.: ZJ-P10T  
L 50 x D 35 x H 165 cm

Item No.: ZJ-P15T  
L 48 x D 40 x H 165 cm

### Four Sided Display

Size: L 80 x D 60 x H 178 cm

Item No.: ZJ - P07t

### Two Sided Display

Size: L 75 x D 40 x H 182 cm

Item No.: ZJ - P06t

Display built-up items and packages for two directions, large space for inventory. Can also be placed against wall.

## Built-up Model Enclosures

Various sizes and different materials available for different items.

## PET Display Enclosure
